

Are you a teacher looking for new training opportunities? Are you interested in strengthening your competences related to the use of digital tools inside your classroom? Are you interested in helping you students in becoming more aware of the potential of ICT?

CANVASS+ VIRTUAL LEARNING ACTIVITY

June 18 - 30 2020

The CANVASS+ Learning Activity will consist of two online meetings and a series of sessions of piloting and review that will be conducted in national groupings, with the support of all partner organizations. The objective will be to:

- Test the project products and provide a feedback on their effectiveness
- Use the OER for implementing what you learned and realize video-presentations
- Discuss what recommendations could support the reform of school systems

PARTICIPATE FOR FREE IN THE CANVASS+ LEARNING ACTIVITY!

*In the days between **June 18 and 30**, the CANVASS+ partnership will organize an online training event*

REGISTER YOURSELF BY SENDING AN E-MAIL TO erifoproject@gmail.com or get in contact with one of the other representatives from your country (see [here](#)).

*At the end of the activity, you will receive a **CANVASS certificate of participation**, that will certify your attendance to the training activity*

THE PROGRAMME

The CANVASS training will take place on Zoom platform over two days of work
